

Broadcasting Public Notice CRTC 2006-30

Ottawa, 9 March 2006

Call for comments – Proposed amendments to the *Television Broadcasting Regulations, 1987*, the *Pay Television Regulations, 1990* and the *Specialty Services Regulations, 1990* – Requirements for the furnishing of program logs and records

1. The Commission considers that it would be appropriate to amend the *Television Broadcasting Regulations, 1987*, the *Pay Television Regulations, 1990* and the *Specialty Services Regulations, 1990* (collectively, the Regulations) in order to allow licensees to apply for a condition of licence regarding the requirement to furnish the Commission with a program log or machine-readable record of their programming. Proposed amendments to the Regulations that would make provision for such a condition of licence are appended to this public notice. The proposed amendments are intended to provide greater flexibility in the furnishing of program logs or records and to decrease the administrative burden on the Commission and licensees in certain circumstances.
