

## **Telecom Costs Order CRTC 2007-18**

Ottawa, 12 December 2007

### **Application for costs by l'Union des Consommateurs – Follow-up to Telecom Decision 2005-38, *Bill management tools – Debt repayment plans***

Reference: 8638-C12-200515002 and 4754-296

1. By letter dated 3 July 2007, l'Union des Consommateurs (l'Union) applied for costs with respect to its participation in the follow-up proceeding to Telecom Decision 2005-38 (follow-up to Decision 2005-38 proceeding).
2. The Commission did not receive any comments in answer to the application.

#### **The application**

3. L'Union submitted that it had met the criteria for an award of costs set out in subsection 44(1) of the *CRTC Telecommunications Rules of Procedure* (the Rules) as it represents a group of subscribers that had an interest in the outcome of the follow-up to Decision 2005-38 proceeding, it had participated responsibly in the follow-up to Decision 2005-38 proceeding, and it had contributed to a better understanding of the issues by the Commission through its participation in the follow-up to Decision 2005-38 proceeding.
4. L'Union requested that the Commission fix its costs at \$6000.00 for legal fees for in-house counsel. L'Union filed a bill of costs with its application.
5. L'Union claimed 3.25 days at a rate of \$600.00 per day for legal fees for Geneviève Duchesne and 6.75 days at a rate of \$600.00 per day for legal fees for Marie-Ève Rancourt.
6. L'Union made no submissions as to the appropriate costs respondents.

#### **Commission's analysis and determinations**

7. The Commission finds that l'Union has satisfied the criteria for an award of costs set out in subsection 44(1) of the Rules. Specifically, the Commission finds that l'Union is representative of a group or class of subscribers that has an interest in the outcome of the proceeding, has participated in a responsible way, and has contributed to a better understanding of the issues by the Commission.
8. The Commission is of the view that this is an appropriate case in which to fix the costs and dispense with taxation, in accordance with the streamlined procedure set out in Telecom Public Notice 2002-5.

9. The Commission notes that the rates claimed in respect of legal fees are in accordance with the rates set out in the Legal Directorate's *Guidelines for the Taxation of Costs*, revised as of 24 April 2007. The Commission also finds that the total amount claimed by l'Union was necessarily and reasonably incurred and should be allowed.
10. In determining the appropriate respondents to an award of costs, the Commission has generally looked at which parties are affected by the issues and have actively participated in the proceeding. Given that this proceeding dealt with the bill management tools of the incumbent local exchange carriers (ILECs), the Commission considers that the appropriate respondents to l'Union's costs application are the ILECs who participated in the proceeding, namely Bell Aliant Regional Communications, Limited Partnership (Bell Aliant), Bell Canada, MTS Allstream Inc. (MTS Allstream), Saskatchewan Telecommunications (SaskTel) and TELUS Communications Company (TCC).
11. The Commission notes that it has, in previous decisions, allocated the responsibility for the payment of costs among respondents on the basis of the respondents' telecommunications operating revenues (TORs), as an indicator of the relative size and interest of the parties involved in the proceeding. The Commission is of the view that, in the present circumstances, it is appropriate to apportion the costs among the respondents in proportion to their TORs, as reported in their most recent audited financial statements. Accordingly, the Commission finds that the responsibility for the payment of costs should be allocated as follows:

Bell Aliant	9%
Bell Canada	45%
MTS Allstream	8%
SaskTel	4%
TCC	34%

#### **Direction as to costs**

12. The Commission **approves** the application by l'Union for costs with respect to its participation in the follow-up to Decision 2005-38 proceeding.
13. Pursuant to subsection 56(1) of the *Telecommunications Act*, the Commission fixes the costs to be paid to l'Union at \$6,000.00.
14. The Commission **directs** that the award of costs to l'Union be paid forthwith by the ILECs according to the proportions set out in paragraph 11.
