CHLM-FM Rouyn-Noranda – Licence amendment

1. The Commission **approves** the application by the Canadian Broadcasting Corporation (CBC) to amend the broadcasting licence for the radio programming undertaking CHLM-FM Rouyn-Noranda in order to add transmitters CBFZ-FM Témiscaming and CBFY-FM Ville-Marie to broadcast the programming of its national, French-language network service La Première Chaîne.
2. CBFZ-FM and CBFY-FM were originally licensed to the CBC as radiocommunication distribution undertakings (RDUs) to broadcast the programming of CHLM-FM, which was licensed to Radio Nord Communications inc. In *CHLM-FM Rouyn-Noranda and its transmitter CHLM-FM-1 Amos/Val d'Or – Acquisition of assets*, Broadcasting Decision CRTC 2004-399, 1 September 2004, the Commission approved an application by the CBC to acquire the assets of CHLM-FM.
3. Given that the CBC is now the licensee of CHLM-FM, it no longer needs a separate licence for CBFZ-FM and CBFY-FM. For this reason and consistent with the CBC's request, the Commission **revokes** the RDU broadcasting licences for CBFZ-FM and CBFY-FM.
4. The Commission did not receive any interventions in connection with this application.
