2. **Toronto, Ontario**
Application No. 2007-0029-6

Application by **Canadian Hellenic Toronto Radio Inc.** relating to the licence of the commercial ethnic AM radio programming undertaking CHTO Toronto, Ontario.

The licensee proposes to change the authorized contours by relocating the transmitter.

The authorized contours of the station will be increased significantly as a result of the relocation of the transmitter.

The licensee advised that due to municipal bylaws, a building permit at the original site in Scarborough could not be obtained and an alternate transmitter site was found in North York.

3. **Sault Ste. Marie, Ontario**
Application No. 2007-0158-3

Application by **Shaw Cablesystems Limited** to renew the licence of the Class 1 cable broadcasting distribution undertaking serving Sault Ste. Marie, expiring 31 August 2007.

The licensee is also seeking the addition of the following conditions of licence:

- a) The licensee is authorized to distribute, at its option, WXYZ-TV (ABC), WWJ-TV (CBS), WTVS (PBS) and WDIV (NBC) Detroit, Michigan and WUHF (FOX) Rochester, New York, as part of the basic service.
- b) The licensee is authorized to receive, directly through its own facilities, at its option, any of the distant Canadian signals and U.S. 4+1 signals that are otherwise required to be received from a licensed satellite relay distribution undertaking (SRDU). The licensee is not authorized to use any facilities other than its own for the reception of these signals. This condition does not authorize the licensee to provide these services to any other licensed or exempt distribution undertaking.
- c) The licensee is authorized to distribute, at its option, the audio programming service of any licensed satellite subscription radio undertaking on a digital basis. The distribution of satellite subscription radio signals is subject to the following provisions:
 - (i) Subject to the exception outlined in (ii), the licensee may not count the signals of conventional radio programming undertakings for the purpose of fulfilling the preponderance requirement set out in section 6(2) of the *Broadcasting Distribution Regulations* (the Regulations) unless a subscriber is already receiving 40 channels of one or more licensed pay audio programming undertakings;
 - (ii) A licensee is entitled to count the signals of conventional radio programming undertakings that a licensee is required to distribute under section 22 of the Regulations for the purpose of fulfilling the preponderance requirement set out in section 6(2) of the Regulations; and
 - (iii) The Canadian-produced channels offered by the satellite subscription radio undertaking are deemed to be "Canadian programming services" for the purposes of section 6(2) of the Regulations.

The licensee is also requesting deletion of certain conditions of licence. Further details are available in the application.

Deadline for Interventions/Comments

25 May 2007

The intervention must be received by the CRTC and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays.

Your intervention will be considered by the Commission, and will form part of the public record of the proceeding without further notification to you, provided the procedure set out below has been followed. You will be contacted only if your submission raises procedural questions.

Submit your written intervention to the Secretary General of the Commission in **only one** of the following formats:

by using the
[\[Broadcasting intervention/comments form\]](#)

or

by mail to
 CRTC, Ottawa, Ontario K1A 0N2

or

by fax at
 819-994-0218

A true copy must be sent to the applicant and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Before initiating service through electronic mode, please ensure that you will be able to satisfy the Commission, upon request, that service of the notification was completed.

Where the intervention is filed by electronic means, the line ***End of document*** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Each paragraph of the document should be numbered.

Your intervention should clearly identify the application and indicate whether you support or oppose the application, or if you propose changes to it, include the facts and grounds for your proposal.

Important notice

Note that all information that you provide as part of this public process, except information granted confidentiality, whether sent by postal mail, facsimile, e-mail or through the Commission's web site at www.crtc.gc.ca, becomes part of a publicly accessible file and will be posted on the Commission's web site. This information includes your personal information, such as your full name, e-mail address, postal/street address, telephone and facsimile number(s), and any other personal information you provide.

The personal information you provide will be used and may be disclosed for the purpose for which the information was obtained or compiled by the Commission, or for a use consistent with that purpose.

Documents received electronically or otherwise will be put on the Commission's web site in their entirety exactly as you send them, including any personal information contained therein, in the official language and format in which they are received. Documents not received electronically will be available in PDF format.

Please note that the information you provide to the Commission as part of this public process is entered into an unsearchable database dedicated to this specific public process. This database is accessible only from the webpage of this particular public process. As a result, a general search of our website with the help of either our own search engine or a third-party search engine will not provide access to the information which was provided as part of this public process.

Examination of Documents

An electronic version of applications is available from the Commission's web site by selecting the application number within this notice.

A list of all interventions/comments will also be available on the Commission's Web site. An electronic version of all interventions/comments submitted will be accessible from this list. To access the list, select "Lists of interventions/comments" under "Public Proceedings" from the Commission's Web site.

Documents are also available during normal office hours at the local address provided in this notice and at the Commission offices and documentation centres directly involved with these applications or, upon request, within 2 working days, at any other CRTC offices and documentation centres.
