

## Broadcasting Notice of Public Hearing CRTC 2008-2-4

Ottawa, 21 April 2008

### Notice of consultation and hearing

**27 May 2008**

**Edmonton, Alberta**

**Additional information added to item 13**

Further to its Broadcasting Notices of Public Hearing CRTC 2008-2 dated 28 March 2008, CRTC 2008-2-1 dated 2 April 2008, CRTC 2008-2-2 dated 9 April 2008 and CRTC 2008-2-3 dated 10 April 2008, the Commission announces the following:

**The additional information is in bold.**

Item 13

Edmonton and various other locations in Alberta, Alberta  
Application No. 2007-1238-2

Application by Aboriginal Multi-Media Society of Alberta (AMMSA) for a licence to operate an English and Native-languages FM Type B Native radio programming undertaking in Edmonton.

**The Commission notes that the applicant has requested the addition of technical facilities to its Native Type A undertaking CFWE-FM for both Edmonton and Fort McMurray. In this regard, and further to the *Native Broadcasting Policy* (Public Notice CRTC 1990-89) and *Exemption Order respecting certain native radio undertakings* (Public Notice CRTC 1998-62), an addition at Fort McMurray would have the same force and effect as an addition at Edmonton.**

**For the sake of precision, the Commission therefore notes that Type B status will be considered in the event of an approval for either or both of the above-noted technical facilities. The determination of the merits of adding one is therefore not related in any way to the determination of the merits of the other.**

**The location of the radio programming undertaking will, therefore, be determined by the Commission following the public hearing.**
