AM radio stations in Montréal – Correction

1. In *AM radio stations in Montréal*, Broadcasting Decision CRTC 2011-721, 21 November 2011 (Broadcasting Decision 2011-721), the Commission inadvertently identified CKGM Montréal as a French-language radio programming undertaking. The Commission notes that CKGM is in fact an English-language radio programming undertaking.
2. Accordingly, the Commission hereby corrects Broadcasting Decision 2011-721 by replacing paragraph 72 of that decision with the following:
 72. The Commission also **approves** the following application to amend the broadcasting licence for the English-language commercial AM radio programming undertaking CKGM Montréal in order to change its frequency from 990 kHz to 690 kHz:

**Bell Media Inc. and 7550413 Canada Inc., partners in a general partnership
carrying on business as Bell Media Canada Radio Partnership**
Application 2011-1235-9, received 29 August 2011

Secretary General

**This decision is to be appended to the licence.*
