

PRODUCTION Regional Report

Reporting Period: Series that were in production between September 1, 2019 – August 31, 2020

Definition: English language series with Principal Photography locations 150km or more outside of Toronto or Vancouver. For French Language series, it must be 150km or more outside Montreal

Template Instructions

Provide one entry per production.

Region: List the names of cities/towns where Principal Photography was shot. If it includes a wide variety of locations, you can enter “North Ontario” or “Multiple Locations on East Coast” or even “Multiple Locations Across Canada” and then expand on this in the Regional Reflection column.

Project: Provide the show title and a brief synopsis (logline).

Type of Programming: this refers to the CRTC category; provide the number and name of the category (i.e. 11B, reality television)

Season Number: If a one-off special or stand-alone series, please indicate as such, or provide the season number

Regional Reflection: Expand on how the location was reflected in the series. For example: *Biopacks for contestants are featured in each episode. These were shot on location in Spruce Grove, Calgary, High River, and Fort McMurray in Alberta; Laval, Pointe-Claire, Pierrefonds in Quebec; Bowen Island, Victoria, Gibson in BC; St. Andrews West, Fort Erie, Ottawa, Wasaga Beach, and Chatham in Ontario.* You can provide additional small details about how the locations were reflected, i.e. if it was part of a key plot or a character’s backstory, or if the different locations appeared repeatedly throughout the series, but please keep it as concise as possible.

Their journeys – in Toronto, Ottawa, Washington, and beyond – see them engaging with government leaders, fellow climate activists in the US and Canada and learning from an indigenous elder. Through words, dance, and social media savvy, these activists share their experiences with other young people, extending the conversation well beyond the screen in order to spark real action in response to the global climate crisis.</p>	2B Long Form Documentary	Pilot	<p>One of the main locations of principal photography was Ottawa, where 2 of our youth activists attended the Nature-Based Climate Solutions Summit and the Winterlude Winter Festival.</p>

DEVELOPMENT Regional Report

Reporting Period: Series that were in development between September 1, 2019 – August 31, 2020

Instructions: As with the Production Regional Report, the Development report is meant to reflect locations of Regional Photography (NOT THE LOCATION OF THE PRODUCTION COMPANY).

If a development project did not shoot any photography as part of its deliverables, it can still qualify for this report if the development included plans to shoot in a Regional Location. For example: *If greenlit, this series would be shot in Calgary, Alberta. OR A demo reel was shot in Kelowna, BC and the development includes plans to shoot in multiple regional locations in BC.*
