

Broadcasting Decision CRTC 2005-577

Ottawa, 5 December 2005

Eternacom Inc.

Sudbury and Little Current, Ontario

Application 2005-0842-6

Broadcasting Public Notice CRTC 2005-96

13 October 2005

CJTK-FM Sudbury – New transmitter in Little Current

1. The Commission **approves** the application by Eternacom Inc. to amend the broadcasting licence for the radio programming undertaking CJTK-FM Sudbury, in order to operate a transmitter in Little Current.
2. The new transmitter will operate at 102.1 MHz (channel 271A) with an effective radiated power of 1,300 watts.
3. The Commission did not receive any interventions in connection with this application.
4. The Commission reminds the licensee that, pursuant to section 22(1) of the *Broadcasting Act*, this authority will only be effective when the Department of Industry notifies the Commission that its technical requirements have been met, and that a broadcasting certificate will be issued.
5. The transmitter must be operational at the earliest possible date and in any event no later than 24 months from the date of this decision, unless a request for an extension of time is approved by the Commission before 5 December 2007. In order to ensure that such a request is processed in a timely manner, it should be submitted in writing at least 60 days before that date.

Secretary General

This decision is to be appended to the licence. It is available in alternative format upon request, and may also be examined in PDF format or in HTML at the following Internet site: <http://www.crtc.gc.ca>
