CHYK-FM Timmins and its transmitters – Licence renewal

1. The Commission **renews** the broadcasting licence for the commercial radio programming undertaking CHYK-FM Timmins and its transmitters CHYX-FM Kapuskasing and CHYK-FM-3 Hearst, from 1 April 2006 to 31 August 2012.

4. The Commission reminds the licensee that the amendment approved in *CHYK-FM Timmins – New transmitter in Kapuskasing*, Broadcasting Decision CRTC 2003-578, 18 November 2003 will only be effective when the Department of Industry (the Department) has advised the Commission that the proposed technical parameters will not create any unacceptable interference with aeronautical NAV/COM services.
5. Pursuant to section 22(1) of the *Broadcasting Act*, the authority for the transmitter at Kapuskasing will only be effective when the Department notifies the Commission that its technical requirements have been met, and that a broadcasting certificate will be issued.

Employment equity

6. Because this licensee is subject to the *Employment Equity Act* and files reports concerning employment equity with the Department of Human Resources and Skills Development, its employment equity practices are not examined by the Commission.
