CHML Hamilton – Licence renewal

1. The Commission **renews** the broadcasting licence for the English-language commercial radio programming undertaking CHML Hamilton, from 1 September 2006 to 31 August 2013.
2. The Commission received one intervention in support of this application.
3. The licence will be subject to the **conditions** set out in *New licence form for commercial radio stations*, Public Notice CRTC 1999-137, 24 August 1999, as well as to the following **condition**:
 - The licensee shall, as an exception to the percentage of Canadian musical selections set out in sections 2.2(8) and 2.2(9) of the *Radio Regulations, 1986*, in any broadcast week where at least 90% of musical selections from content category 2 that it broadcasts are selections released before 1 January 1981:
 - in that broadcast week, devote 30% or more of its musical selections from content category 2 to Canadian selections broadcast in their entirety; and
 - between 6:00 a.m. and 6:00 p.m., in the period beginning on Monday of that week and ending on Friday of the same broadcast week, devote 30% or more of its musical selections from content category 2 to Canadian selections broadcast in their entirety.

The licensee will also be responsible for specifying, on the music lists it provides to the Commission, the year of release for all musical selections it broadcasts.

For purposes of this condition, the terms “broadcast week”, “content category” and “musical selection” shall have the meaning as set out in section 2 of the *Radio Regulations, 1986*.

4. The Commission reminds the licensee of its on-going obligations, currently in place and set to expire in 2007, related to the benefits accepted in *Sale of WIC Premium Corporation approved, conditional upon the subsequent divestiture of that company's 50% voting interest in The Family Channel Inc.*, Decision CRTC 2000-222, 6 July 2000.
5. Because this licensee is subject to the *Employment Equity Act* and files reports concerning employment equity with the Department of Human Resources and Skills Development, its employment equity practices are not examined by the Commission.
