Item	Applicant and Locality
1.	<b>Rogers Broadcasting Limited</b> North Bay, Ontario Application No. 2007-0350-6
2.	<b>Rogers Broadcasting Limited</b> North Bay, Ontario Application No. 2007-0351-3
3.	<b>CARE Radio Broadcasting Association</b> Charlie Lake, British Columbia Application No. 2007-0389-4

### 1. **North Bay, Ontario** **Application No. 2007-0350-6**

Application by **Rogers Broadcasting Limited** (Rogers) relating to the licence of the radio programming undertaking CHUR-FM North Bay, Ontario.

The licensee proposes to change the authorized contours by increasing the antenna height (non-directional antenna/antenna height 145.5 metres).

Rogers notes that the station experiences a number of signal problems associated with multipath interference and in-building penetration.

Rogers also states that the increase in antenna height is necessary in order for the station to provide the best possible signal quality to North Bay and the surrounding areas and will provide improved in-car signal reception along the Highway 11 corridor.

The authorized contours of the station will be increased significantly resulting from the increase in antenna height.

2. **North Bay, Ontario**  
**Application No. 2007-0351-3**

Application by **Rogers Broadcasting Limited** (Rogers) relating to the licence of the radio programming undertaking CKFX-FM North Bay, Ontario.

The licensee proposes to change the authorized contours by increasing the antenna height (non-directional antenna/antenna height 145.5 metres).

Rogers notes that the station experiences a number of signal problems associated with multipath interference and in-building penetration.

Rogers also states that the increase in antenna height is necessary in order for the station to provide the best possible signal quality to North Bay and the surrounding areas and will provide improved in-car signal reception along the Highway 11 corridor.

The authorized contours of the station will be increased significantly resulting from the increase in the antenna height.

or

**by mail to**  
CRTC, Ottawa, Ontario K1A 0N2

or

**by fax at**  
819-994-0218

A true copy must be sent to the applicant and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Before initiating service through electronic mode, please ensure that you will be able to satisfy the Commission, upon request, that service of the notification was completed.

Where the intervention is filed by electronic means, the line **\*\*\*End of document\*\*\*** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Each paragraph of the document should be numbered.

Your intervention should clearly identify the application and indicate whether you support or oppose the application, or if you propose changes to it, include the facts and grounds for your proposal.

### **Important notice**

Note that all information that you provide as part of this public process, except information granted confidentiality, whether sent by postal mail, facsimile, e-mail or through the Commission's web site at [www.crtc.gc.ca](http://www.crtc.gc.ca), becomes part of a publicly accessible file and will be posted on the Commission's web site. This information includes your personal information, such as your full name, e-mail address, postal/street address, telephone and facsimile number(s), and any other personal information you provide.

The personal information you provide will be used and may be disclosed for the purpose for which the information was obtained or compiled by the Commission, or for a use consistent with that purpose.

Documents received electronically or otherwise will be put on the Commission's web site in their entirety exactly as you send them, including any personal information contained therein, in the official language and format in which they are received. Documents not received electronically will be available in PDF format.

Please note that the information you provide to the Commission as part of this public process is entered into an unsearchable database dedicated to this specific public process. This database is accessible only from the webpage of this particular public process. As a result, a general search of our website with the help of either our own search engine or a third-party search engine will not provide access to the information which was provided as part of this public process.

### **Examination of Documents**

An electronic version of applications is available from the Commission's web site by selecting the application number within this notice.

A list of all interventions/comments will also be available on the Commission's Web site. An electronic version of all interventions/comments submitted will be accessible from this list. To access the list, select "Lists of interventions/comments" under "Public Proceedings" from the Commission's Web site.

Documents are also available during normal office hours at the local address provided in this notice and at the Commission offices and documentation centres directly involved with these applications or, upon request, within 2 working days, at any other CRTC offices and documentation centres.
