CIAX-FM Windsor – Acquisition of assets

1. The Commission **approves** the application by Radio communautaire de Windsor et région inc. (Windsor) to acquire the assets of the radio programming undertaking CIAX-FM Windsor from Carrefour jeunesse-emploi comté Johnson (CJECJ) and for a broadcasting licence to continue the operation of the undertaking under the same terms and conditions as those in effect under the current licence.
2. The licence to operate CIAX-FM was granted to CJECJ in *New community radio station*, Decision CRTC 2000-345, 22 August 2000.
3. Windsor is a not-for-profit corporation controlled by its board of directors, which has ensured the undertaking's financial management since the commencement of operations in 2001. CJECJ acts as general manager.
4. The Commission notes that this transaction will formalize CIAX-FM's situation by transferring the undertaking's licence to the organization that controls it. Both parties involved have agreed that the transaction would have no financial implications.
5. The Commission did not receive any interventions in connection with this application.
6. Upon surrender of the current licence issued to CJECJ, the Commission will issue a new licence to Windsor. The licence will expire 31 August 2013, the current licence expiry date, and will be subject to the same terms and **conditions** as those in effect under the current licence.
