CBUF-FM Vancouver – New transmitter at Whistler

1. The Commission **approves** the application by the Canadian Broadcasting Corporation to amend the broadcasting licence for the radio programming undertaking CBUF-FM Vancouver in order to operate a transmitter at Whistler to rebroadcast the programming of its national French-language network service La Première Chaîne.
2. The new transmitter will operate at 103.1 MHz (channel 276A) with an average effective radiated power of 240 watts.
3. The Commission received an intervention in support of this application.
4. The transmitter must be operational at the earliest possible date and in any event no later than 24 months from the date of this decision, unless a request for an extension of time is approved by the Commission before 24 January 2010. In order to ensure that such a request is processed in a timely manner, it should be submitted in writing at least 60 days before that date.
