### Licence amendment

1. The Commission **approves** the application by Access Communications Co-operative Limited (Access) to amend the Class 1 broadcasting licence for its cable broadcasting distribution undertaking (BDU) serving Regina, Saskatchewan by replacing the current condition of licence that authorizes the licensee to distribute, at its option, WBZ-TV (CBS), WHDH-TV (NBC), WCVB-TV (ABC), WFXT (FOX) and WGBH-TV (PBS) Boston, Massachusetts, as part of the basic service, with the following **condition of licence**:

The licensee is authorized to distribute, at its option, WCCO-TV (CBS) Minneapolis, Minnesota and WHDH-TV (NBC), WCVB-TV (ABC), WFXT (FOX) and WGBH-TV (PBS) Boston, Massachusetts, as part of the basic service. Alternatively, for each network signal, the licensee may distribute the signal of a different affiliate of the same network located in the same time zone as that of the licensed area and included in the *Lists of eligible satellite services*, as amended from time to time.

2. There were no interventions to this application. The licence amendment will provide Access with similar flexibility to that granted to other BDUs.
