

## Telecom Order CRTC 2008-301

Ottawa, 28 October 2008

### Mornington Communications Co-operative Limited – CLEC rates for interconnection

Reference: Tariff Notice 47

1. The Commission received an application by Mornington Communications Co-operative Limited, dated 14 October 2008, for approval of revisions to its General Tariff for competitive local exchange carrier (CLEC) interconnection services. The company stated that the proposed tariff revisions had been prepared in accordance with the CLEC Model Tariff Version 30.
2. In a Commission staff letter dated 29 July 2008, all CLECs were requested to file proposed tariffs to reflect the incumbent local exchange carriers' (ILECs) interconnection rates or to file proposed rates with cost justification for any departures from the ILECs' interconnection rates.
3. The Commission has reviewed the company's proposal and is satisfied that it follows the CLEC Model Tariff Version 30 and that the effective date is in accordance with the date indicated in the 29 July 2008 letter.
4. Accordingly, the Commission **approves on an interim basis** Mornington Communications Co-operative Limited's application, with an effective date of 1 June 2008, for the interconnection rates applicable in the operating territories where Bell Aliant Regional Communications, Limited Partnership and Bell Canada are the ILECs, as per *Price cap framework for large incumbent local exchange carriers*, Telecom Decision CRTC 2007-27, 30 April 2007.
