

## Broadcasting Decision CRTC 2009-491

Route reference: 2009-381

Ottawa, 14 August 2009

**Food Network Canada Inc.**  
Across Canada

*Application 2009-0849-4, received 2 June 2009*

### **Food Network Canada – Licence amendment**

1. The Commission **approves** the application by Food Network Canada Inc. to amend the broadcasting licence for the national specialty programming undertaking known as Food Network Canada to allow the service to be made available for distribution in high definition (HD) format. The Commission received interventions in support of this application.
2. Consistent with the Commission's approach to HD specialty services set out in Broadcasting Public Notices 2003-61 and 2006-74, as well as with the changes to this approach announced in Broadcasting Public Notice 2008-100, the licence will be subject to the following **condition** until the end of the current licence term:

The licensee is authorized to make available for distribution a version of its service in high definition (HD) format, provided that not less than 95% of the video and audio components of the upgraded and standard definition versions of the service are the same, exclusive of commercial messages and of any part of the service carried on a subsidiary signal. Further, all of the programming making up the 5% allowance shall be provided in HD.
