

Broadcasting Notice of Consultation CRTC 2010-133

Ottawa, 5 March 2010

Notice of applications received

Various locations

Deadline for submission of interventions/comments: 9 April 2010

The Commission has received the following applications:

[\[Broadcasting interventions/comments form\]](#)

Applicant and Locality

1. **Radio Mégantic Itée**
Thetford Mines, Quebec
Application No. 2010-0029-9
2. **Dufferin Communications Inc.**
Toronto, Ontario
Application No. 2010-0107-3

1. Thetford Mines, Quebec **Application No. 2010-0029-9**

Application by **Radio Mégantic Itée** relating to the broadcasting licence of the French-language radio programming undertaking, CKLD-FM Thetford Mines.

The licensee proposes to change the authorized contours of its transmitter, CJLP-FM Disraeli, Quebec by increasing the average effective radiated power (ERP) from 57.2 watts to 114.4 watts (maximum ERP 104 watts to 208 watts with an effective height of antenna above average terrain of -0.4 metres).

The applicant states that it wishes to take into account the changes that the Department of Industry will make to the domestic interference protection criteria for FM stations set out in *Broadcast Procedures and Rules – Part 3: Application Procedures and Rules for FM Broadcasting Undertakings*, effective 1 January 2011. Additionally, the applicant submits that the proposed amendments will permit better reception of CJLP-FM's signal in the principal service area.

Licensee's address:

327 Labbé Street
 Thetford Mines, Quebec
 G6G 1Z2
 Fax: 418-335-9009
 E-Mail: alabbe@PassionRock.com

Examination of application:

At the licensee's address

2. Toronto, Ontario
Application No. 2010-0107-3

Application by **Dufferin Communications Inc.** relating to the licence of the radio programming undertaking CIRR-FM Toronto.

The licensee proposes to relocate the transmitter site and change the authorized contours by increasing the average effective radiated power (ERP) from 50 to 128 watts (maximum ERP from 50 to 250 watts with an effective height of antenna above average terrain to 156 metres).

The Commission notes that there will be an increase in the population served within both the 3mV/m (22.7%) and 5mV/m (7.9%) contours. The licensee states that the technical amendment is necessary to provide a better signal and better reception to the station's targeted audience, Toronto's LGBT (Lesbian, Gay, Bisexual and Transgender) community.

Licensee's address:

5312 Dundas Street West
 Toronto, Ontario
 M9B 1B3
 Fax: 416-233-8617
 E-Mail: carmela@evanovradio.com

Examination of application:

201-65 Wellesley Street East
 Toronto, Ontario

Public participation

Deadline for interventions

9 April 2010

The intervention must be received by the Commission and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays and will not notify a party whose intervention is received after the deadline date. The intervention will not be considered by the Commission and will not be part of the public file.

Interventions will be considered by the Commission and will form part of the public record of the proceeding without further notification to intervening parties, provided the procedure set out below has been followed. Parties will be contacted only if their submissions raise procedural questions.

Written interventions should be submitted to the Secretary General of the Commission in **only one** of the following formats:

by using the

[\[Broadcasting interventions/comments form\]](#)

or

by mail to

CRTC, Ottawa, Ontario K1A 0N2

or

by fax at

819-994-0218

A true copy must be sent to the applicant, and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Parties must ensure that, before initiating service through electronic mode, they will be able to satisfy the Commission, upon request, that service of the notification was completed.

Submissions longer than five pages should include a summary.

Each paragraph of the submission should be numbered. In addition, where the intervention is filed by electronic means, the line *****End of document***** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Interventions should clearly identify the application referred to and indicate whether parties support or oppose the application, or, if they propose changes to it, include the facts and grounds for their proposal.

Important notice

All information that parties provide as part of this public process, except information granted confidentiality, whether sent by postal mail, facsimile, e-mail or through the Commission's website at www.crtc.gc.ca, becomes part of a publicly accessible file and will be posted on the Commission's website.

This information includes personal information, such as full names, e-mail addresses, postal/street addresses, telephone and facsimile numbers, and any other personal information parties provide.

The personal information that parties provide will be used and may be disclosed for the purpose for which the information was obtained or compiled by the Commission, or for a use consistent with that purpose.

Documents received electronically or otherwise will be put on the Commission's website in their entirety exactly as received, including any personal information contained therein, in the official language and format in which they are received. Documents not received electronically will be available in PDF format.

The information that parties provide to the Commission as part of this public process is entered into an unsearchable database dedicated to this specific public process. This database is accessible only from the web page of this particular public process.

As a result, a general search of the Commission's website with the help of either its own search engine or a third-party search engine will not provide access to the information that was provided as part of this public process.

The Commission encourages interested parties to monitor the public examination file and the Commission's website for additional information that they may find useful when preparing their interventions.

Examination of documents

An electronic version of the applications is available from the Commission's website by selecting the application number within this notice.

A list of all interventions will also be available on the Commission's website. An electronic version of all interventions submitted will be accessible from this list.

To access the list, select “Lists of interventions/comments” under “Public Proceedings” from the Commission’s website.

Documents are also available during normal office hours at the local address provided in this notice and at the Commission offices and documentation centres directly involved with this application, or, upon request, within two (2) working days, at any other Commission offices and documentation centres.
