Notice of applications received-Various locations

Correction to item 5

**Extension of deadline for submission of interventions/comments for item 5 only:
12 October 2010**

[\[Broadcasting interventions/comments form\]](#)

Further to Broadcasting Notice of Consultation CRTC 2010-454, the Commission announces the following modification to item 5 (**the changes are in bold**):

Ottawa, Ontario

Application No. 2010-0867-3

Application by the Canadian Broadcasting Corporation relating to the licence of the FM English-language radio programming undertaking CBO-FM Ottawa.

With this modification, **the licensee would decrease its potential listenership by 11.5% (from 36,950 to 32,720 persons) in the 3 mV/m contour and by 10.5% (from 59,133 to 53,021 persons) in the 0.5 mV/m contour.**

Secretary General
