

Broadcasting Regulatory Policy CRTC 2010-57

Ottawa, 4 February 2010

Revised lists of eligible satellite services – Annual compilation of amendments

1. In Broadcasting Public Notice 2006-55, the Commission announced that it would periodically issue public notices setting out revised lists of eligible satellite services that include references to all amendments that have been made since the previous public notice setting out the lists was issued.
2. Accordingly, in Appendix 1 to this regulatory policy, the Commission sets out all amendments made to the revised lists since the issuance of Broadcasting Regulatory Policy 2009-50. In addition, the lists of eligible satellite services approved as of 31 December 2009 are set out in Appendix 2.
3. The Commission notes that, in Broadcasting Regulatory Policy 2009-639, it amended certain requirements set out in the lists of eligible satellite services so as to implement amendments proposed in Broadcasting Notice of Consultation 2009-84. These amendments are included in Appendix 2 to this regulatory policy. The Commission further notes that, as set out in Broadcasting Regulatory Policy 2009-129, the names of certain Canadian services on the lists of eligible satellite services (i.e., Learning and Skills Television of Alberta, Atlantic Satellite Network (ASN), and Open Learning Agency (Knowledge Network)) have been changed. The new names for these services (ACCESS, “A” Atlantic, and Knowledge, respectively) are also included in Appendix 2.
