Call for comments on the proposed addition of German Kino Plus to the lists of eligible satellite services for distribution on a digital basis – Correction

1. The Commission notes that the French version of *Call for comments on the proposed addition of German Kino Plus to the lists of eligible satellite services for distribution on a digital basis*, Broadcasting Notice of Consultation CRTC 2010-650, 1 September 2010, erroneously referred to the document as a decision rather than a notice of consultation. Accordingly, the name of the French document is amended as follows:

Appel aux observations sur l'ajout proposé de German Kino Plus aux listes des services par satellite admissibles à une distribution en mode numérique, avis de consultation de radiodiffusion CRTC 2010-650, 1^{er} septembre 2010
