

Broadcasting Decision CRTC 2011-417

PDF version

Ottawa, 12 July 2011

Various undertakings

Across Canada

Administrative renewals

1. The Commission **renews** the licences for the undertakings listed in Appendix 1 of this decision to 31 August 2012 and to 31 August 2013 for the licences of the undertakings listed in Appendix 2. These licences are subject to the terms and conditions in effect under the current licences.
2. This decision does not dispose of any substantive issues that may exist with respect to the renewal of these licences.
3. The Commission will consider at a later date the renewal of these licences and interested parties will have an opportunity to comment at the appropriate time.
4. Pursuant to Broadcasting Regulatory Policy CRTC 2010-167, the Commission is not renewing authorizations for full-power analog transmitters operating in the mandatory markets or on channels 52 to 69 outside the mandatory markets beyond 31 August 2011. In addition, the Commission imposes the following condition of licence on the stations listed in the appendix to this decision that operate in mandatory markets or on channels 52 to 69 outside the mandatory markets:

Unless otherwise authorized by the Commission, the licensee shall not transmit analog television signals after 31 August 2011 in mandatory markets designated as such by the Commission in Broadcasting Regulatory Policy CRTC 2011-184 or transmit television signals on channels 52 to 69.

5. The Commission also notes that pursuant to Broadcasting Regulatory Policy 2010-69, the Commission is not renewing authorizations for the transitional digital transmitters included in these licences beyond 31 August 2011.

Secretary General

**This decision is to be appended to each licence.*
