The Commission has received the following applications:

#### Applicant and Locality

1. **TVA Group Inc.**  
Saguenay (Chicoutimi Borough), Quebec  
Application 2010-1902-6
2. **Canadian Broadcasting Corporation**  
Saguenay (Jonquière Borough), Quebec  
Application 2010-1899-5

#### 1. **Saguenay (Chicoutimi Borough), Quebec** **Application 2010-1902-6**

Application by **TVA Group Inc.** to amend the broadcasting licence for the French-language conventional television programming undertaking CJPM-TV Saguenay (Chicoutimi Borough).

The licensee proposes to add a post-transition digital transmitter to serve the population of Saguenay (Chicoutimi Borough).

The new post-transition digital transmitter, CJPM-DT, would operate on channel 46 with an average effective radiated power (ERP) of 89,300 watts (maximum ERP of 200,000 watts with an effective height of antenna above average terrain of 107.4 metres).

The licensee wishes to comply with *Revised licensing framework for over-the-air digital television services*, Broadcasting Regulatory Policy CRTC 2010-69, 10 February 2010.

The Commission notes that this application is not in compliance with Notice No. SMBR-006-08 – *Publication of the Digital Television (DTV) Post-Transition Allotment Plan* of the Department of Industry since the licensee proposes to use channel 46 instead of its allotted channel (channel 6).

The implementation of this transmitter would decrease the potential viewership in the regional service area by 2.98%, from 218,778 to 212,255.

**2. Saguenay (Jonquière Borough), Quebec  
 Application 2010-1899-5**

Application by **Canadian Broadcasting Corporation** to amend the broadcasting licence for the French-language conventional television programming undertaking CKTV-TV Saguenay (Jonquière Borough).

The licensee proposes to add a post-transition digital transmitter to serve the population of Saguenay (Jonquière Borough).

The new post-transition digital transmitter, CKTV-DT, would operate on channel 12 with an average effective radiated power (ERP) of 3,100 watts (maximum ERP of 7,400 watts with an effective height of antenna above average terrain of 581.1 metres).

The licensee wishes to comply with *Revised licensing framework for over-the-air digital television services*, Broadcasting Regulatory Policy CRTC 2010-69, 10 February 2010.

The Commission notes that this application is not in compliance with Notice No. SMBR-006-08 – *Publication of the Digital Television (DTV) Post-Transition Allotment Plan* (the Plan) of the Department of Industry since the licensee proposes technical parameters that exceed those allocated in the Plan.

The implementation of this transmitter would decrease the potential viewership in the regional service area by 11.4%, from 284,053 to 251,580.

*Licensee's address:*

181 Queen Street  
Ottawa, Ontario

**Public participation**

**Deadline for interventions**

**22 February 2011**

The intervention must be received by the Commission and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays and will not notify a party whose intervention is received after the deadline date. The intervention will not be considered by the Commission and will not be part of the public file.

Interventions will be considered by the Commission and will form part of the public record of the proceeding without further notification to intervening parties, provided the procedure set out below has been followed. Parties will be contacted only if their submissions raise procedural questions.

Written interventions should be submitted to the Secretary General of the Commission in **only one** of the following formats:

**by using the**

[\[Broadcasting interventions/comments form\]](#)

or

**by mail to**

CRTC, Ottawa, Ontario K1A 0N2

or

**by fax at**

819-994-0218

A true copy must be sent to the applicant, and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Parties must ensure that, before initiating service through electronic mode, they will be able to satisfy the Commission, upon request, that service of the notification was completed.

Submissions longer than five pages should include a summary.

Each paragraph of the submission should be numbered. In addition, where the intervention is filed by electronic means, the line **\*\*\*End of document\*\*\*** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Interventions should clearly identify the application referred to and indicate whether parties support or oppose the application, or, if they propose changes to it, include the facts and grounds for their proposal.

### **Important notice**

All information that parties provide as part of this public process, except information granted confidentiality, whether sent by postal mail, facsimile, e-mail or through the Commission's website at [www.crtc.gc.ca](http://www.crtc.gc.ca), becomes part of a publicly accessible file and will be posted on the Commission's website. This information includes personal information, such as full names, e-mail addresses, postal/street addresses, telephone and facsimile numbers, and any other personal information parties provide.

The personal information that parties provide will be used and may be disclosed for the purpose for which the information was obtained or compiled by the Commission, or for a use consistent with that purpose.

Documents received electronically or otherwise will be put on the Commission's website in their entirety exactly as received, including any personal information contained therein, in the official language and format in which they are received. Documents not received electronically will be available in PDF format.

The information that parties provide to the Commission as part of this public process is entered into an unsearchable database dedicated to this specific public process. This database is accessible only from the web page of this particular public process. As a result, a general search of the Commission's website with the help of either its own search engine or a third-party search engine will not provide access to the information that was provided as part of this public process.

The Commission encourages interested parties to monitor the public examination file and the Commission's website for additional information that they may find useful when preparing their interventions.

## **Examination of documents**

An electronic version of the applications is available from the Commission's website by selecting the application number within this notice.

A list of all interventions will also be available on the Commission's website. To access the list, select "Lists of interventions/comments" under "Public Proceedings" from the Commission's website.

Documents are also available during normal office hours at the local address provided in this notice and at the Commission offices and documentation centres directly involved with these applications, or, upon request, within two (2) working days, at any other Commission offices and documentation centres.
