Route reference: 2011-336

Ottawa, 4 November 2011

### **Asian Television Network International Limited** Across Canada

*Application 2011-0597-4, received 24 March 2011*  
*Public hearing in the National Capital Region*  
*18 July 2011*

### **ATN Hindi Movie Channel 4 – Specialty Category B service**

*The Commission **approves** an application for a broadcasting licence to operate a new specialty Category B service.*

*The Commission also **approves** the applicant's request relating to the broadcast of local advertising.*

#### **The application**

1. Asian Television Network International Limited (ATN) filed an application for a broadcasting licence to operate ATN Hindi Movie Channel 4, a national, niche third-language ethnic Category 2<sup>1</sup> specialty programming undertaking that would be devoted to movies in the Hindi language and additional programming linked to the movies, such as interviews with movie stars, programs showcasing music from the movies as well as discussions on movie production. The Commission did not receive any interventions in connection with this application.
2. ATN is controlled by Mr. Shan Chandrasekar.
3. The applicant proposed to draw programming from the following program categories set out in Item 6 of Schedule I to the *Specialty Services Regulations, 1990*, as amended from time to time: 7(c), 7(d), 7(e), 7(g), 11<sup>2</sup> and 13.

---

<sup>1</sup> As set out in Broadcasting Regulatory Policy 2011-455, as of 1 September 2011, Category 2 services are renamed Category B services.

<sup>2</sup> In Broadcasting Regulatory Policy 2011-401, the Commission formally announced that it had amended program category 11 to add a new category 11(b) Reality television. Consistent with this change, the Commission has added an authorization to broadcast programming from both 11(a) General entertainment and human interest and the new 11(b) program category.

4. The applicant stated that it would broadcast not less than 90% of its programming during the broadcast week in the Hindi language.
5. The applicant requested permission to devote up to 6 of the 12 minutes of advertising material during each clock hour to local or regional advertising.<sup>3</sup>

### **Commission's analysis and determinations**

6. The Commission is satisfied that the application complies with all applicable policies, terms and conditions, including those set out in Public Notice 2000-6, Broadcasting Public Notice 2008-100, and Broadcasting Regulatory Policies 2010-786 and 2010-786-1. Furthermore, given that the service will offer no less than 90% of its programming during the broadcast week in the Hindi language, the Commission is satisfied that the service falls under the definition of a third-language service set out in the *Broadcasting Distribution Regulations* (the Regulations).
7. Accordingly, the Commission **approves** the application by Asian Television Network International Limited for a broadcasting licence to operate the national, niche third-language ethnic specialty Category B service ATN Hindi Movie Channel 4. The Commission also **approves** the applicant's request for authority to broadcast up to six minutes per hour of local advertising. The terms and **conditions of licence** are set out in the appendix to this decision.
8. The Commission notes that ATN Hindi Movie Channel 4 will devote at least 90% of its program schedule to programming in Hindi. In accordance with Broadcasting Public Notice 2005-104, the remainder of the program schedule (up to 10%) may be in one or both official languages. The Commission encourages the applicant to ensure that all such programming serves to promote Canada's linguistic duality.
9. The Commission notes that the applicant has applied for two other category B third-language specialty services whose nature of service is similar to that approved in this decision. Accordingly, the Commission expects the applicant to ensure that each of the Hindi Movie Channel services proposed by ATN provide programming that is separate and distinct from the other Hindi Movie Channel services also approved today.

### **Reminder**

10. The Commission reminds the applicant that distribution of this service is subject to the requirements set out in the Regulations.

---

<sup>3</sup> "Local advertising" is advertising that does not fall within the definition of national or regional advertising, i.e., advertising to persons who provide goods or services in more than one market and/or province.
