The Commission has received the following application:

#### Applicant/Licensee and Locality

- 1. CreComm Radio Inc.**  
Winnipeg, Manitoba  
Application 2011-0319-2

Application by **CreComm Radio Inc.** to renew the broadcasting licence of the campus instructional radio programming undertaking CKIC-FM Winnipeg, expiring 31 August 2012. In light of the elimination of the campus instructional category in *Campus and community radio policy*, Broadcasting Regulatory Policy CRTC 2010-499, 22 July 2010, the licensee proposes to operate the undertaking as campus station.

The licensee proposes to operate the undertaking under the conditions of licence applicable to campus radio stations set out in *Standard conditions of licence for campus and community radio stations*, Broadcasting Regulatory Policy CRTC 2012-304, 22 May 2012 and will adhere to the following condition of licence:

The licensee shall devote no more than 25% of its total weekly programming to student-produced programming to fulfil course requirements.

It appears that the licensee may have failed to comply with the *Radio Regulations, 1986* concerning the filing of annual returns for the 2005-2006 to 2009-2010 broadcast years.

The Commission has received a complaint regarding the programming of CKIC-FM as well as complaints concerning the licensee's governance and management structure. Information related to these matters may be found in hard copy in the public examination file of this licensee, including copies of complaints and related correspondence.

The Commission notes that additional documents may be added to the public file subsequent to the issuance of this notice. Interested parties are accordingly advised to consult the public file for this item on an ongoing basis.

## **Procedure**

### **Deadline for interventions or answers**

**3 July 2012**

The new *Canadian Radio-television and Telecommunications Commission Rules of Practice and Procedure*, SOR/2010-277 (the Rules of Procedure), set out, among other things, the rules for content, format, filing and service of interventions, the procedure for filing confidential information and requesting its disclosure. Accordingly, the procedure set out below must be read in conjunction with the Rules of Procedure and its accompanying documents, which can be found on the Commission's website under "CRTC Rules of Practice and Procedure."

This notice may announce applications that would normally be subject to the written process described in Part 1 of the Rules of Procedure, but that were filed before 1 April 2011. An explanation in this regard is set out in *Implementation of new Rules of Practice and Procedure*, Broadcasting and Telecom Regulatory Policy CRTC 2010-958, 23 December 2010.

An intervention or answer from a respondent must be received by the Commission and by the applicant on or before the above-mentioned date. An answer from a respondent must also be served on any other respondent.

In accordance with the Rules of Procedure, a document must be filed with, not merely sent to, the Commission by 5 p.m. Vancouver time (8 p.m. Ottawa time) on the date it is due. The Commission takes no responsibility for postal delays and will not notify a party whose submission is received after the deadline date. Late submissions will not be considered by the Commission and will not be made part of the public file.

Interventions and answers from respondents will be considered by the Commission and will form part of the public record of the proceeding without further notification to parties, provided the procedures set out in the Rules of Procedure and this notice have been followed. Parties will be contacted only if their submissions raise procedural questions.

Submissions must be filed by sending them to the Secretary General of the Commission by **only one** of the following means:

**by using the**

or

**by mail to**  
CRTC, Ottawa, Ontario K1A 0N2

or

**by fax at**  
819-994-0218

A true copy of each intervention or answer from a respondent must be sent to the applicant and, in the case of a respondent to an application, to any other respondent.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents, as it may be difficult to establish that service has occurred.

Parties must ensure that, before initiating service through electronic mode, they will be able to satisfy the Commission, upon request, that service was completed. The sender must keep proof of the sending and the receipt of the document for 180 days after the day on which it is filed.

Submissions longer than five pages should include a summary.

Each paragraph of the submission should be numbered. In addition, where the intervention is filed by electronic means, the line **\*\*\*End of document\*\*\*** should be entered following the last paragraph of the document, as an indication that the document has not been altered during electronic transmission.

Interventions and answers should clearly identify the application referred to and indicate whether parties support or oppose the application, or, if they propose changes to it, include the facts and grounds for their proposal.

This database is accessible only from the web page of this particular public process. As a result, a general search of the Commission's website with the help of either its own search engine or a third-party search engine will not provide access to the information that was provided as part of this public process.

The Commission encourages parties and interested persons to monitor the record of the proceeding, available on the Commission's website, for additional information that they may find useful when preparing their submissions.
