### Northwestel Inc. – Withdrawal of two-party and multi-party residential services

File number: Tariff Notice 893

1. The Commission received an application from Northwestel Inc. (Northwestel), dated 4 February 2013, in which the company proposed changes to various items in its General Tariff in order to withdraw its two-party and multi-party residential services, effective 11 February 2013.
2. The Commission approved Northwestel's application on an interim basis, effective 19 February 2013, in Telecom Order 2013-65.
3. The Commission received no comments regarding Northwestel's application. The public record of this proceeding, which closed on 18 March 2013, is available on the Commission's website at [www.crtc.gc.ca](http://www.crtc.gc.ca) under "Public Proceedings" or by using the file number provided above.
4. The Commission notes that Northwestel's two-party and multi-party residential services have not been offered to new customers since 21 April 2001, as per Order 2001-302, and that there are no longer any customers subscribing to them. The Commission therefore considers that Northwestel's proposal complies with the requirements set out in Telecom Decision 2008-22, in which the Commission revised its procedures for dealing with applications to destandardize and/or withdraw tariffed services.
5. Accordingly, the Commission **approves on a final basis** Northwestel's application.
