The application numbers are set out in Appendix 1 to this decision.

Various commercial radio programming undertakings – Licence renewals

1. The Commission **renews** the broadcasting licences for the radio programming undertakings set out in Appendix 1 to this decision, from 1 September 2013¹ to 31 August 2020. The **conditions of licence** for each station are set out in the appropriate appendices.
2. The Commission received interventions in support of certain applications, as well as an intervention regarding certain applications from l'Association québécoise de l'industrie du disque, du spectacle et de la vidéo (ADISQ). Reminder

5. Pursuant to section 22 of the *Broadcasting Act*, the Commission reminds the licensees that the broadcasting licences will cease to have any force or effect if the broadcasting certificates issued by the Department of Industry lapse.

Employment equity

6. Unless otherwise specified in the appendices below, the licensees of the radio stations listed in Appendix 1 to this decision are subject to the *Employment Equity Act* and file reports concerning employment equity with the Department of Human Resources and Skills Development. Accordingly, their employment equity practices are not examined by the Commission.
