Newcap Inc.

Whitecourt and Fox Creek, Alberta

Application 2013-1316-3

CFXW-FM Whitecourt – New transmitter at Fox Creek

1. The Commission **approves** the application by Newcap Inc. (Newcap) to amend the broadcasting licence for the English-language commercial radio programming undertaking CFXW-FM Whitecourt, Alberta, to operate a transmitter at Fox Creek. The Commission did not receive any interventions regarding this application.
2. The new transmitter will operate at 98.1 MHz (channel 251A) with an average effective radiated power of 610 watts (non-directional antenna with an effective height of antenna above average terrain of 59.5 metres).
3. Newcap indicated that it wishes to serve the community of Fox Creek with a clear radio signal.
4. The Commission reminds the licensee that pursuant to section 22(1) of the *Broadcasting Act*, this authority will only be effective when the Department of Industry notifies the Commission that its technical requirements have been met and that a broadcasting certificate will be issued.
5. The transmitter must be operational at the earliest possible date and in any event no later than 24 months from the date of this decision, unless a request for an extension of time is approved by the Commission before **23 January 2016**. To ensure that such a request is processed in a timely manner, it should be submitted in writing at least 60 days before that date.

Secretary General

**This decision is to be appended to the licence.*
