CBD-FM Saint John and its transmitter CBD-FM-1 St. Stephen – Licence amendment

1. The Commission **approves** the application by the Canadian Broadcasting Corporation (CBC) to amend the broadcasting licence for the English-language radio programming undertaking CBD-FM Saint John in order to change the frequency of its transmitter CBD-FM-1 St. Stephen from 88.1 to 106.3 MHz. All other technical parameters will remain unchanged. The Commission did not receive any interventions regarding this application.
2. The CBC proposed the frequency change at the request of the Department of Industry (the Department).
3. The Commission reminds the licensee that pursuant to section 22(1) of the *Broadcasting Act*, this authority will only be effective when the Department notifies the Commission that its technical requirements have been met and that a broadcasting certificate will be issued.

Secretary General

**This decision is to be appended to the licence.*
