Reference: 2016-160

Ottawa, 1 August 2018

Call for comments on market capacity and the appropriateness of issuing a call for radio applications to serve Québec, Quebec

Deadline for submission of comments: 31 August 2018

1. In Broadcasting Notice of Consultation 2016-160, the Commission issued a call for comments on market capacity and the appropriateness of issuing a call for radio applications to serve Québec, Quebec.
2. The Commission invites parties wishing to do so to update the information contained in their comments that have already been filed in this proceeding and all other interested persons to submit comments. All changes to comments should be **in bold or highlighted** or otherwise clearly identified.
3. The new comments and updated comments will be added to the existing comments and will be placed on the public record for this proceeding.
4. The deadline for the submission of the second phase of comments is **31 August 2018**.
5. The deadline for the submission of the second phase of replies is **17 September 2018**.
6. Updated aggregated financial information relating to the Québec radio market can be found in the [Commission's Statistical and Financial Summaries 2013-2017](#) on the Open Data portal.
7. Today, the Commission has also published notices of consultation seeking comments on market capacity and the appropriateness of issuing a call for applications for the Regional County Municipality of Portneuf, Quebec¹ market and the Sainte-Marie, Quebec² market.
