### **CKSA-DT Lloydminster and its transmitter CKSA-TV-2 Bonnyville – Licence amendments related to coverage of the 2016 Olympic Games**

1. The Commission **approves** the application by Newcap Inc. (Newcap) to amend the broadcasting licence for the English-language conventional television programming undertaking CKSA-DT Lloydminster and its transmitter CKSA-TV-2 Bonnyville, Alberta, in order to obtain temporary relief from standard conditions of licence relating to described video and local programming during the broadcast of the 2016 Olympic Games. The Commission did not receive any interventions regarding this application.
2. As a Canadian Broadcasting Corporation (CBC) affiliate, Newcap is required to carry Olympic programming when aired by the CBC network. As a result, CKSA-DT's normal programming will be disrupted during the 2016 Olympic Games. From 7 to 21 August 2016, the licensee is relieved of the requirements set out in condition of licence 8 of the appendix to *Standard conditions of licence, expectations and encouragements for conventional television stations*, Broadcasting Regulatory Policy CRTC 2011-442, 27 July 2011.
