2. The Commission received interventions in support of the applications filed by Cortes Community Radio Society, The Kamloops Campus/Community Radio Society, Lillooet Camelsfoot T.V. and Radio Association, Haliburton County Community Radio Association, Small Town Radio and San Lorenzo Latin American Community Centre.
3. In Broadcasting Decision 2011-699, the Commission approved an application by Small Town Radio to operate an English-language community radio station in Port Hope. In its renewal application, Small Town Radio indicated that it intends to change the physical location of the station from Port Hope to Cobourg and to seek advertising from its local coverage area, albeit with no change to the station's programming or authorized contours. In addition, the licensee requested to be renewed under the same terms and conditions of licence. The proposed changes do not appear to raise concern with respect to the Commission's policies or regulations. Nonetheless, to safeguard the integrity of the original licensing process for the station, the Commission expects Small Town Radio to continue to provide an accessible community radio programming service for local residents in Port Hope, which meets the role, definition and mandate for community radio stations set out in the Campus and Community Radio Policy (Broadcasting Regulatory Policy 2010-499). An expectation to this effect is set out in the appendix to this decision.

Reminder

4. Pursuant to section 22 of the *Broadcasting Act*, the broadcasting licences renewed in this decision will cease to have any force or effect if the broadcasting certificates issued by the Department of Industry lapse.
