Chaîne de Divertissement Clovys Entertainment Channel – Revocation of licence

1. Clovys TV inc. has requested the revocation of its broadcasting licence for the national, French-language specialty Category B service Chaîne de Divertissement Clovys Entertainment Channel, originally granted in Broadcasting Decision 2008-341, in order to continue its operation as an exempt undertaking, pursuant to Broadcasting Order 2015-88.
2. The licensee failed to file its annual returns for the 2015-2016 and 2016-2017 broadcast years, as required by section 8(1) of the *Specialty Services Regulations, 1990* (the Regulations). In addition, the licensee failed to submit program logs for the length of its licence term, as required by section 7(2) of the Regulations. In light of the above, the Commission **directs** Clovys TV inc. to submit annual reports for the 2015-2016 and 2016-2017 broadcast years by **9 April 2018**.
3. The Commission reminds Clovys TV inc. that, as an operator of an exempt service, it will be required to file a simplified annual return for its service by no later than 30 November for each broadcast year. While Clovys TV inc. will not be required to file program logs, it must nevertheless comply with certain programming requirements and be ready, pursuant to paragraph 18 in the appendix to Broadcasting Order 2015-88, to respond to any inquiry made by the Commission to matters relating to the operation of the exempt undertaking.
4. Given the licensee's request and pursuant to sections 9(1)(e) and 24(1) of the *Broadcasting Act*, the Commission **revokes** the broadcasting licence issued to Clovys TV inc. for the above-mentioned undertaking.
5. The Commission reminds Clovys TV inc. that the undertaking must meet the criteria set out in the appendix to Broadcasting Order 2015-88 at all times to be in compliance with the exemption order. Failure to do so could result in the loss of the authority to operate the service in Canada.
