PDF version

Ottawa, 29 October 2019

Northwestel Inc. – Approval of a tariff application

1. The Commission **approves** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Northwestel Inc.	TN 1055 Private Wire Services Tariff – Addition of Communities to V- Connect Service and Ethernet Metropolitan Area Network (EMAN) Service	29 August 2019	29 October 2019

2. The Commission received no interventions with respect to the application.
3. In accordance with the 2019 Policy Direction,¹ the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the approval of this application will promote consumer interests and innovation, since it (i) allows for the expansion of V-Connect and EMAN services into new communities and (ii) will ensure that consumers have access to high-quality, innovative telecommunications services as a result of the service revisions.
4. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
