Ottawa, 22 January 2020

Continuum Online Services Ltd. – Final approval of a tariff application

1. The Commission **approves on a final basis** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Continuum Online Services Ltd.	TN 1 and 1A Introduction of Competitive Local Exchange Carrier (CLEC) Access Services Tariff	24 September 2019	6 December 2019

2. The Commission received no interventions with respect to the application.
3. In accordance with the 2019 Policy Direction,¹ the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, final approval of this application will promote consumer interests, since it (i) will allow for the provision of additional competition, and (ii) will help ensure that customers have access to high-quality innovative telecommunications services as a result of new competition.
4. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
