Reference: 2019-428

Ottawa, 23 January 2020

### **Bell MTS, a division of Bell Canada – Final approval of a tariff application**

1. The Commission **approves on a final basis** the following tariff application:

<b>Applicant</b>	<b>Tariff Notice and description</b>	<b>Date of application</b>	<b>Effective date</b>
Bell MTS, a division of Bell Canada	TN 823	7 November 2019	20 December 2019
	TN 823A	5 December 2019	
	General Tariff - Updated 9-1-1 tariff provisions for Hosted IP Telephony and SIP Trunking Services		

2. The Commission received no interventions with respect to the application.
3. In accordance with the 2019 Policy Direction,<sup>1</sup> the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, final approval of this application will promote consumer interests, since it (i) standardizes 9-1-1 provisions across the services subject to this application and (ii) ensures that customers have access to high-quality innovative telecommunications services.
4. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
