

## Telecom Order CRTC 2020-194

PDF version

Ottawa, 17 June 2020

### Rogers Communications Canada Inc. – Approval of tariff applications

1. The Commission **approves** the following tariff applications:

Applicant	Tariff Notice and description	Date of application	Effective date
Rogers Communications Canada Inc. (RCCI)	TN 63	8 February 2019	17 June 2020
	TN 63A Access Services Tariff – Destandardization of certain wholesale high-speed access service speeds	16 May 2019	

2. The Commission received no interventions with respect to the applications.
3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,<sup>1</sup> the Commission considers that the approval of this application will advance the policy objective set out in paragraph 7(f) of the *Telecommunications Act*.<sup>2</sup>
4. In accordance with the 2019 Policy Direction,<sup>3</sup> the Commission considers that this order regarding destandardization, which is based on a complete record, can promote competition, consumer interests, and innovation. Specifically, the approval of this application will promote consumer interests and innovation because (i) the destandardization of these services will impact RCCI's retail and wholesale customers equally, and (ii) RCCI's wholesale customers will continue to have access to a wide range of high-speed access services of various speeds.
