

## Telecom Order CRTC 2020-95

PDF version

Ottawa, 16 March 2020

### Rogers Communications Canada Inc. – Approval of a tariff application

1. The Commission **approves** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Rogers Communications Canada Inc.	TN 65 De-standardization of wholesale high-speed access (HSA) Service Speed 20 Mbps Upstream / 250 Mbps Downstream	9 December 2019	16 March 2020

2. No interventions with respect to the application were received.
3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,<sup>1</sup> the Commission considers that the approval of this application will advance the policy objective set out in paragraph 7(f) of the *Telecommunications Act*.<sup>2</sup>
4. In accordance with the 2019 Policy Direction,<sup>3</sup> the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation, while not adversely impacting competition, because alternative higher speed services will still be available at the same monthly rate after the de-standardization of this service.
5. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
