Bell Canada – Final approval of a tariff application

1. The Commission **approves on a final basis** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Bell Canada	TN 7630 Special Facilities Tariff – Introduction of new tariff item	19 March 2021	16 April 2021

2. The Commission received no interventions with respect to the application.
3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,¹ the Commission considers that the approval of this application will advance the policy objective set out in paragraph 7(b) of the *Telecommunications Act*.²
4. In accordance with the 2019 Policy Direction,³ the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the final approval of this application will promote (i) consumer interests, because it will expand the availability of Special Facilities Tariff arrangements; and (ii) innovation, because it will promote customers' use of more innovative telecommunications services.
5. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
