Ottawa, 3 June 2022

Bell Canada – Interim approval of a tariff application

1. The Commission **approves on an interim basis** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Bell Canada	TN 7644 Access Services Tariff – Introduction of new service speed for Disaggregated Broadband Service	4 April 2022	3 June 2022

2. The interim approval of this application complies with the 2006 and 2019 Policy Directions¹ by facilitating efficient tariff processes while enabling the Commission to consider, on the basis of a complete record, how its final decision can promote competition, affordability, consumer interests, and innovation.
3. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
