PDF version

Ottawa, 11 October 2022

### Northwestel Inc. – Approval of a tariff application

1. The Commission **approves** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Northwestel Inc.	TN 1161 General Tariff – Introduction of new service speeds for Terrestrial Enterprise Internet Services – Optimized Internet Service	23 August 2022	11 October 2022

2. The Commission received no interventions with respect to the application.
3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,<sup>1</sup> the Commission considers that the approval of this application will advance the policy objective set out in paragraph 7(a) of the *Telecommunications Act*.<sup>2</sup>
4. In accordance with the 2019 Policy Direction,<sup>3</sup> the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the approval of this application will promote (i) consumer interests by expanding the range of service options available in Type B communities, and (ii) innovation by introducing higher speed tiers in those communities.
5. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
