Notice of hearing – Review of the wholesale high-speed access service framework – Deadline extensions

1. Following the issuance of the *Notice of hearing – Review of the wholesale high-speed access service framework*, Telecom Notice of Consultation CRTC 2023-56, 8 March 2023, a number of parties made requests to extend various filing deadlines, including the deadlines for filing revised proposed tariffs and accompanying cost studies.
2. On 20 April 2023, the Commission issued a Secretary General [letter](#), in which it approved Shaw Cablesystems G.P.'s request to exclude its legacy fibre-to-the-premises (FTTP) facilities from the tariff filings and associated cost studies that the company is required to produce. The Commission also granted the company an extension for it to file its tariff application providing for wholesale aggregated high-speed access services using FTTP access facilities and associated cost studies from 24 April 2023 to **24 August 2023**.
3. Furthermore, on 4 May 2023, the Commission issued a Secretary General [letter](#) to address additional extension requests. In that letter, the Commission granted an extension to the deadlines to file the tariff applications and cost studies for all other incumbent carriers from 24 April 2023 to **31 May 2023**.
