1. Further to *Call for comments – Application for exemption from the Online News Act by Google*, Online News Notice of Consultation CRTC 2024-143, 27 June 2024, the Commission received a procedural request from the Canadian Journalism Collective requesting an extension of time to complete and file the documents requested in question 10.
2. The Commission finds that agreeing to the extension would be in the public interest. It would help build a fulsome record while creating only minimal delay. The Commission therefore extends the deadline for the Canadian Journalism Collective to submit those documents to **15 July 2024**. In order to ensure that other interested parties have sufficient time to examine and comment on those documents, the deadline for comments has been extended to **6 August 2024** and the deadline for replies has been extended to **19 August 2024**.
