

# Checklist

before shopping  
around for TV services

## What are my **needs**?

What type of programming do I prefer to watch (i.e. sports, news, lifestyle, series, documentaries, etc.)?

---

---

---

---

---

## What are my favourite channels?

---

---

---

---

---

## What is my **budget**?

---

### Right now, I subscribe to:

- Cable
- Satellite
- Internet Protocol TV
- Online services  
(i.e. Netflix, Crave, Shomi, Tou.TV, Illico, etc.)

---

---

Right now, I pay \$\_\_\_\_\_ a month to watch programming (TV subscription + online services).

In the future, \$\_\_\_\_\_ is the maximum amount I would like to pay each month for programming.

## What **options** are available to me?

There are different options to watch programming available in Canada.

- Cable
- Satellite
- Internet Protocol TV
- Online services
- Over-the-air

For more information on each of these options visit:  
[crtc.gc.ca/tv-choices/options](http://crtc.gc.ca/tv-choices/options)

? Is some of my favourite content available through other means than traditional paid TV services (i.e. online, over-the-air, on-demand, etc.)?

---

---

? How many over-the-air channels are available in my area? (If you're not sure, contact a local antenna dealer.)

---

---

## Which **providers** offer services in my area?

Check out the CRTC tool to find out: [crtc.gc.ca/service-providers](http://crtc.gc.ca/service-providers)
