

## **Instructions**

1. This report must be filed with the Commission by 30 November of each year. Upon receipt, the Commission will post the abridged version of the report on its website.
2. All financial information should be reported in thousands of dollars (\$000).
3. This report should be filed in both abridged and confidential versions in both Excel and PDF formats.
4. Ensure that information provided in this document is consistent with other CRTC filings when and where applicable (e.g. aggregate returns, annual return forms).
5. This report replaces the Programs of National Interest (PNI) Report for the large English- and French-language ownership groups.
6. This report must include all Canadian Programming Expenditures (CPE) categories except news and sports.
7. The "Aggregate Data," "OLMC Producers" and "Indigenous Producers" tabs must reflect the results for the entire group.
8. The total CPE figure for all services should match the aggregate amount found in the "Aggregate Data (Group)" tab. Some cells are colour coded to ensure consistency between forms. Please ensure that cells of the same colour are identical. The total amounts set out in the colour-coded cells on the per service "Details per program" tables must equal the matching cells on the "Aggregate Data" tab.
9. CPE should be reported on the basis of accrual accounting.
10. Any eligible credits for CPE (such as OLMC and Indigenous productions) should not be applied in this report. The report should only include actual expenditures.

### **Program Details by Service (see green tab)**

11. Each discretionary service included in the group licence renewal decision must report on a separate tab. Therefore, unique "Details per program" tabs must be created for each licensed reporting service. Over-the-air stations may report on an aggregate basis.
12. Use the dropdown menus in the "Details per program" tab where applicable.
13. Independent and affiliated productions must be reported on a project-level basis. The columns related to budget information may be reported on an aggregate level for *in-house productions only*.
14. For certified productions, First and Second Lead Performers reported in the "Program Details" tab must align with the Canadian Audio-Visual Certification Office (CAVCO) and CRTC Program Certification definitions.
15. With respect to reporting on "showrunner", ensure that any person holding the title of showrunner in a production is identified as such and reported in the "Production Information" section of the "Program Details" tab. This data point should only be reported if applicable. Any form of duplication within the roles should be identified when they occur.
